YIOSI

INSTALLATION GUIDE

Modern Gold 3-Tier K9 Crystal Chandelier

CHANDELIER · CEILING MOUNT

Model **YIOSI-0745**

Please read this guide completely before you begin, and keep it for future reference.

BEFORE YOU BEGIN

⚠ **WARNING**

- **Turn off the power at the circuit breaker** before installing, changing bulbs or cleaning the fixture.
- Installation by a **qualified electrician** is recommended. Install in accordance with local electrical codes.
- Use only the E12 bulbs supplied, or equivalents of the same rating.
- Do not clean the fixture with corrosive substances such as gasoline or alcohol-based disinfectants.
- Use this fixture only for its intended purpose. Do not modify or rewire it.
- Keep small parts and packaging away from children. They can cause serious injury.
- This fixture is for indoor use only.

PREPARATION

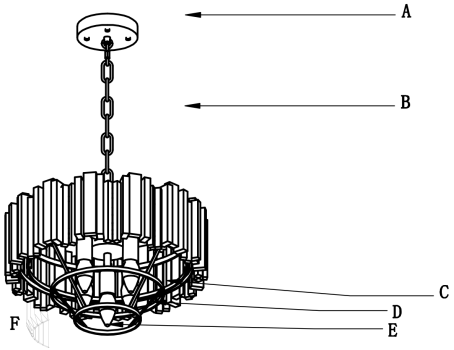

- Read every step carefully and follow them in order.
- Unpack and check all parts against the parts list. If anything is missing or damaged, contact us before installing (see the last page). We will send replacement parts promptly.
- Assemble the fixture where it will be installed. Moving it mid-assembly risks losing small parts.

SPECIFICATIONS

LIGHT SOURCE	WATTAGE	COLOR TEMPERATURE
E12 LED bulbs (included)	**3 W per bulb**	**2700K**

IN THE BOX

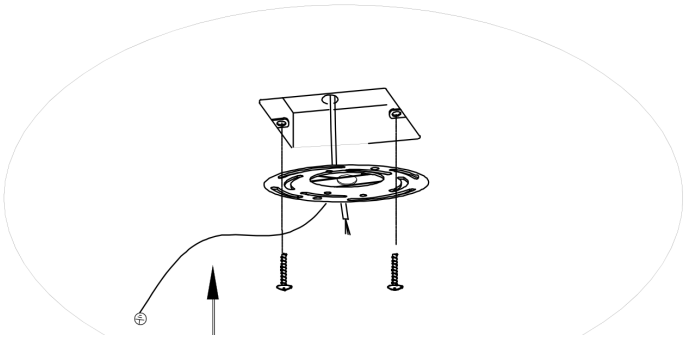

PART	QTY	DESCRIPTION
A	× 1	Ceiling canopy
B	× 1	Chain
C	× 4	Square support tube
D	× 1	Three-tier ring frame
E	× 5	E12 bulb
F	× 84	Crystal strip
—	× 1 + 4 + 4	Mounting plate, screws and wall anchors
—	× 4	Wire connector
—	× 4 + 2	Small screws and gloves

INSTALLATION

STEP 1

Install the mounting plate

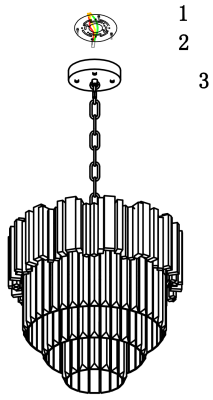

Turn off the power at the circuit breaker. Remove the crossbar (mounting plate) from the canopy and fix it to the ceiling junction box with the screws.

STEP 2

Assemble the lamp body

Take out the lamp body. Join the rod tubes to the length you want, thread the power cable from the lamp body up through the tubes and the chain (B) into the ceiling canopy (A), and secure them with the lock clip.

STEP 3

Fit the frame and bulbs

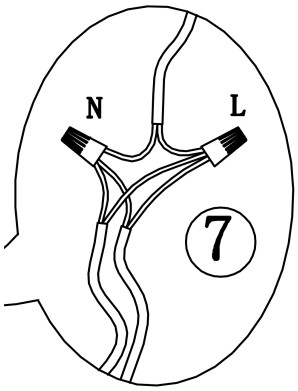

Fit the square support tubes (C) to the frame and lock the three-tier ring frame (D) onto them. Screw the E12 bulbs (E) into the lamp holders.

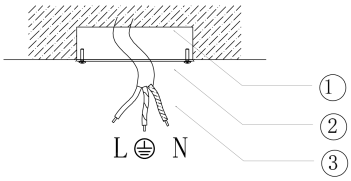

STEP 4

Connect the wires and secure the canopy

Join the fixture wires to the matching house supply wires with the wire connectors: live to live, neutral to neutral, ground to ground. Tuck the connections neatly into the junction box. Fasten the canopy to the mounting plate with its screws.

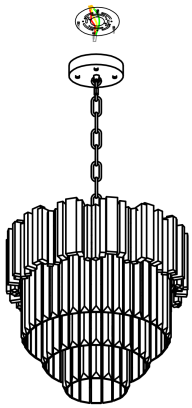

STEP 5

Hang the crystal strips

Wearing the gloves, hang the crystal strips (F) on the ring frame. Restore power and switch on to test.

CARE & SUPPORT

CLEANING & CARE

- Clean the fixture about once a month to keep it looking its best.
- Turn off the power and let the fixture cool to room temperature first.
- Wipe with a soft cloth dampened with water and wrung dry. Never spray liquid directly onto the fixture.
- Do not use gasoline, alcohol or other corrosive cleaners.

GOOD TO KNOW

- Use the fixture only as designed. Damage caused by modification, third-party parts or natural disasters is not covered.
- Warranty terms are listed at yiosilamp.com.
- Due to the handmade nature of the product, slight variations in dimensions may occur.
